*(taken on 9th May 2007 at 1 Year and 10 Months of age)*

**Fibre Testing Authority:** Natural Fibre Centre

### Description:

Here you get both Ivano and Alpamayo lineage with this nice male with fine fibre. He is ready to begin his breeding career. He has great confirmation and is very calm. He is one of two males we have from Tyvano, a son of Ivano. Perhaps he will follow his father in giving female crias. We used him last year with a few females that are not related to him.

Latte May 2008
