### Description:

This young fellow reads like a who's who in the alpaca world. His pedigree includes such well known champion herdsires such as Victor's Vaccoyo and Jolimont Peruvian Bwana on his dam's side and Jolimont Peruvian Sweet William and Jolimont Peruvian Pauco on his sire's.

Centurion has grown into a fine young male with excellent conformation and a very square and solid body shape. He was covered in tight ringlet curls at birth, and his fleece has developing well with full coverage from his nose to his toes. He has density, tight crimp and shiny, lustrous fleece.

Centurion's sire, HA Desert Dwali, a Sweet William son, is producing some amazing cria for us, and we are excited to watch young Centurion follow that path. He will be shown in the spring of 2011.
