Description:

We mated our top pale Futurity girl ?Caton Juba? to the renown ?Dovecote Jaquinto of AUK? and were not disappointed with the outcome: a stunning white male, with great conformation and lovely fleece at under 20 microns. His Sire?s lineage can be traced back to USA Pperuvian Vengador, and on the Dam side to Quechuan Frotte and CME Tulaco Centurion. A most handsome yearling with tremendous potential.
