*(taken on 30th May 2016 at 1 Year and 2 Months of age)*

**Fibre Testing Authority:** Australian Alpaca Fibre Testing

### Description:

Atty is a lovely friendly alpaca with a beautiful blue black fleece. Her fleece has a lovely handle but her micron stats were disappointing which is reflected in her asking price, however she has great black and grey genetics on both sides of her family tree and put to a good male would offer an excellent opportunity to improve and introduce these colours into a herd.

Atty showing her lovely fluffy ears!
