Description:

Sheriff Elsie is a well grown female with excellent conformation and substance of bone. She grows a long staple length with excellent coverage. Her fleece is extremely bright with good density and medium frequency. She was a mother for the first time last year and handled it with ease and has been a fantastic mother. Her cria will be kept at Sheriff as such is superb. We repeated the mating as we were so impressed with the result.

Name of covering male: popham Dominator (Beige)

Last Mating Date: 5th July 2017

Estimated Date Cria Due (Pregnant Female): 5th June 2018
