### Description:

Cutie is a lovely, young, light brown female with a long fine fleece of good character and handle. She won 2nd place in her competitive class at the Bath & West. She has had one beautiful female fawn cria with an exceptional fleece. We have been enjoying life with our alpacas for over 17 years now. From the beginning, we have seen them as part of our farm family and their health and welfare has been our first aim. We have carefully selected outside studs to improve our herd, so our herd has the benefit of some of the best genetics. Over the last years we have bought in studs to join our herd, with all of them having champion fathers. We halter train all our alpacas from 6 months which, not only being enjoyable for us, makes all handling easier, prepares them for showing or for eventual walking ventures with a new owner. Protection from harsh weather, biosecurity and calm, easy alpaca handling was built into the farm design. Manure is removed from paddocks and composted; alpacas have all vaccinations and frequent observation and condition, mouth and nail checks. If you are wondering if alpacas are right for you, please feel welcome to visit and we can share with you our over 17 years of experience. We provide free delivery for up to 100 miles. Vet certificates can

be provided if required.
