(taken on 9th February 2016 at 1 Year and 9 Months of age)

Fibre Testing Authority: Australian Alpaca Fibre Testing

Description:

A stunning well-proportioned white suri. She produces a huge lustrous fleece with a uniform independent lock structure. Amalie has good substance of bone and a fine fleece at less than 22 micron. With some great names in her heritage she will be a wonderful start or addition to your Suri program.

She is mated to a son of GLR The Synergist - Wealden Ace Synergy. Ace has been placed 1st at four shows (including the 2018 and 2019 National) and has won a championship. His Dam is a multi-championship winner at 4 of the major national shows.

COMPANION FEMALES - we have a small number of females available, suitable as companions to our pregnant females, should you not have the minimum recommended number of alpacas - which is three

Name of covering male: Wealden Ace Synergy (Medium Fawn)

Last Mating Date: 14th September 2021

Estimated Date Cria Due (Pregnant Female): 14th August 2022
