(taken on 5th October 2019 at 1 Year and 11 Months of age)

Fibre Testing Authority: New England Fibre Testing

Description:

Dotti is a well grown maiden appaloosa with medium high frequency medium amplitude crimp of good staple length as well as being fine (17.8 micron) and soft (99.51comfort factor). Dotti is mated to Hilldale Park Charlemagne from Accoyo lines that should sustain fineness and staple length and improve coverage. We are retaining Dotti's mother and full sister, the latter will be headlining our 2020 show team.

Number of Crias bred from female: 0
