## Description:

Moralee Braveheart is a very stylish male who started working in 2021 and we eagerly await the birth of his first cria in 2022. He has a wonderful presence and commands your attention. He has great substance of bone, is well covered in fleece with a very true-to-type head.

Braveheart's fleece is very dense, fine, bright and uniform in colour. It's very soft handling and the fibres are well aligned.

Moralee Braveheart is an extremely good-natured and easy to handle young male who is fully halter trained.

With such a proven pedigree this male offers breeders an affordable choice for the 2022 breeding season and beyond.

Our property is bio-security fenced to protect our herd from bTB.

Moralee Braveheart also comes with a fertility guarantee, and full veterinary health check.
