Description:

Stargazer is a magnificent fawn Suri who is a shining example of the Suri type. With real presence, she is a well balanced young female who carries considerable substance of bone. Her fleece is dense and lustrous with excellent lock style and uniformity. The handle of her fleece is super silky - indicative of her high degree of lustre. Her dad is a very well known black stud, The Synergist, who was imported from the biggest Suri breeder in the USA; the son of the renowned Macgyver. Stargazer is well mannered and is halter trained. She definitely has the wow factor!

Her first cria, Sazerac, is a compact black male who has a very lustrous fleece and the same lock style of his mother. In his show career he has 6 1st place rosettes, Champion at South of England 2018 and Reserve Champion black fleece at the Three Counties Fleece Show 2020. He also won a Highly Commended award at the HoE Autumn Fleece Show 2018 with both judges commending him on the extreme lustre and fineness. Stargazer really follows through to produce stunning cria!

Prizes Won:

BAS National Show 2016 - 1st

HoE Autumn Fleece Show 2016 - 1st and Reserve Champion Fawn

Northern Fleece Show - 1st and Reserve Champion Fawn
