### Description:

This lovely young girl is one of the sweetest alpacas on our farm. She is a small alpaca who is very friendly, mild mannered and easy to handle. The blackest of blacks, she has good genetics, a lovely dense fleece and is BAS registered.

We are selling this sweet alpaca as a pet only rather than a breeding female. She could be sold as part of a package as a companion alpaca with other females from our farm if required. Obviously, she will need to have other alpaca female companions. She is fully vaccinated, microchipped and up to date with husbandry tasks. We will be sad to see her leave for pastures new but hopefully we could get pics of her from her future owners. We offer help and advice to new alpaca owners along with a free hands on alpaca husbandry course and a comprehensive guide to caring for alpacas. We offer free delivery for Maia up to 50 miles and further for a minimal charge. VAT will not be added to the price. Discounts given for packages.

**Number of Crias bred from female: 3**
