Description:

Stunning show quality fawn female for sale 🌟

Lane House Autumn Gold is an exquisite young female. Part of our future show team this girl has the complete package. Her fleece is beautifully dense, fine and uniform with a beautiful high frequency crimp from head to toe. She has fantastic fleece coverage and a gorgeous short muzzle and true to type head, along with good substance of bone on a lovely compact frame.

She has some very exciting genetics behind her and is likely to produce brown and black offspring when mated to a dark male.

We are only releasing this female as we have her dam and half sister.

She is fully up to date with vaccinations, vitamins etc. And is fully halter trained/ good to handle.
