### Description:

Moralee Buttercup is an attractive three year old with good conformation and a soft handling fleece.

She is easy to handle and friendly. She tends to hang back until all her field mates have gone first in most activities but easily holds her own and is a confident female.

She has enviable Bozedown genetics: her grandsire Bozedown Tonto was 1st Junior Male White at the 2015 National Show and his fleece was Champion White Fleece at the 2016 National Fleece Show.

Buttercup is offered for sale with a full veterinary health check.
