Description:

James is a stunning true black male. His dam, Carlshead Florence, a champion brown female and a Nobility daughter. His sire, Eringa Park Golden Age, has amazing genetics and has added a new line to our herd. But due to his colour, and us not preferring black animals in our herd, James is looking for a greener pasture. He has been awarded 1sts and 2nds in multiple shows around the country. He is full of personality and can get quite greedy at feeding times. James is a good walker and is very good with people and other alpacas, even though sometimes he can be stubborn!
