Description:

This young female is such a delight to own ,she has a gentle nature like her Dam and great Dam and is very easy to do in all ways . She has a beautiful fine fleece with plenty of density ,good colour uniformity and a comfort factor of 93.8 .She is a very smart and upright female with a good strong frame and oozes presence .

This girl will be sadly missed as is such a lovable character but i need to make way for this years cria .Tincy is sold with a free mating to one of our stud males as is currently empty but is ready to be mated shortly.

Up to date with all husbandry and vaccinations.

Ongoing help and support given if required

Discount is offered for two or more alpaca purchased and the good loving homes priority .

We have a variety of ages / colours and prices available to buy and can put together a great starter package to get your herd growing

Our alpaca are raised in a loving family environment so are well handled and full of character and curiosity !!
