Omschrijving:

Chestnut Farm Ivy is a lovely solid white young maiden female, she has a lovely soft handling fleece that is bright and dense with a highly defined crimp.

Ivy is a well grown girl with a strong frame and correct confirmation, with a true to type head.

Her sire is our white stud male Beck Brow Ammunition and her dam is Chestnut Farm Amethyst so this girl is packed with quality genetics.

Ivy will be sold with a mating to our new brown stud male Inca Nobleman, we are expecting the first of his cria in 2022 and are very excited to see what he is going to produce for us.
