

Description:

Inky is quite simply a little sweetheart and will be greatly missed but i am limited whom i can mate her to and need to make way for this years cria.

She has a beautiful fine fleece with uniform of colour and uniform crimp .

Her fleece handle is light and soft with lustre .

This is a quality female with dark and grey genetics .

Inky is an easy girl to handle and walks well on the halter .

Inky is currently empty but is ready to be mated this year and includes a free mating to one our stud males

Good home priority but open to offers

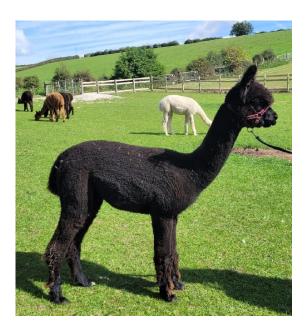

,Discount for two or more alpaca purchased

Training available and back up support if required

We have a variety of ages and colours available to buy and can put together a great starter package to get your herd growing

Our alpaca are have been brought up in a family environment with plenty of handling.

Price is up for discussion as good home a priority
