Titania is a lovely well grown female carrying a nice uniform fleece with soft handle and good density showing good crimp and brightness.

Sired by our champion grey male Limestone Aztec her pedigree is packed with grey, rose grey and black. On her dams side she boasts world class white sires Cambridge Navigator and the legendary Spartacus.

Titania produced her first cria in 2023, a very nice black male sired by our grey stud Brampton Valley Theodore. We repeated this mating again resulting in her 2024 cria at foot, a very nice multi female with a stunning and unusual bright red fawn fleece.

Titania is pregnant to Theo again so offers an exciting 3in1 package for breeders looking for high quality colour.
