Description:

Faerie Tale Villanelle is a high quality female who produced her first cria in 2022 a beautiful dark brown male and her second in 2023 a very nice multi female.

Villanelle is fully registered with bas and daughter of our champion and twice reserve champion beige female Faerie Tale Guinevere and sired by our champion grey stud male Limestone Aztec.

Her sires side is full of grey, rose grey and black, on her dams side she offers top class white genetics including the mighty Spartacus.

Villanelle's second cria is a very interesting multi female cria sired by our grey male Brampton Valley Theodore.

An excellent choice for breeders wishing to add quality colour to their herd.

For 2024 Villanelle has been mated to our new rose grey male Summerhaze Solace who is packed with grey and appaloosa genetics. Sired by Appaloosa Popham Mardi Gras who in turn was sired by Ambersun Camouflage this offers a rare opportunity to acquire these spotty genetics. Villanelle's cria should be very interesting.
