### Description:

A Kind of Magic (MF) is one of the very first colour males with Snowmass genetics on both sides of the pedigree which we are offering to a discerning breeder.

Magic's Sire is Snowmass Mystic Star XX of ARW, a medium brown upstanding male, champion brown at Kansas Futurity and in UK. His pedigree goes back to the fabulous Snowmass Matrix.

Dam is the lovely brown Artwork I.K Azucena - her Sire is the very special Snowmass Incan King XXX (DF), who is sadly no longer with us, Her Dam is Meon Valley Aphrodite, a beautiful medium brown female.

With colour throughout the pedigree, Magic's first fleece was 15.9 microns with an SD of 3.8, latest fleece stats: 19 microns with an SD of 3.9

Magic is only 2yrs 2 months old, clearly with promising stud credentials, unproven at this stage.
