### Description:

Inca Provincial is a smart looking young sire who has super star breeding. Not only is he well grown and fluid in his movement, but he has a very advanced fleece type. More specifically, the fleece this male is growing has high follicular density, uniformity, brightness and it is extremely fine.

With such a depth of well known and proven genetics populating his pedigree, Inca Provincial is ideal for any alpaca breeder wanting to build on their coloured stock.

sire for their black breeding programme.

This halter trained male comes with all our normal guarantees including registration upgrade, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland and the Middle East.
