Description:

Bingfield Hollywood is a 17mth old light fawn female and a very stylish one at that! She stands on a very correct balanced frame coupled with her pleasing head type makes Hollywood an eye catcher in the paddocks. Her fleece is fine, dense with fantastic length to it something her late sire Beck Brow Mykonos gave to his progeny. Hollywood has such a beautiful mix of genetics and colour in her background which makes her very exciting prospect for future breeding programs. Hollywood is the first Female progeny we are releasing from our late herd Sire Beck Brow Mykonos.
