### Description:

Charlemagne (Charlie) is halter trained, beautifully conformed and absolutely as sweet as a button. He is very relaxed and easy to handle for husbandry. He has been in excellent health since birth.

Charlie's fine, dense, bright and well-organised fleece is worth a shout out for sure - it is super usable with his heritage from a very special female here and a BAS National Supreme Champion!

Charlie is for sale ideally with two of his friends, with all three being of a different colour. They could join existing castrated males or be the start of an adventure for a new alpaca owner. As every member of our here, he is fully up to date with vaccinations and all husbandry.

Support is available via phone / email for the life of any alpaca sold by us.
