Description:

Mr. Darcy is a halter trained, friendly, true black alpaca. He is very characterful and enjoys human interaction. He is gentle around his companions and very easy to handle for husbandry - in fact he can be caught in the paddock with no more than a gentle touch around his neck! Mr. Darcy is very eye-catching with his super conformation and bright black fleece. He has attended shows (and come away as a rosette winner) so has experienced many different environments and situations.

Mr. Darcy is for sale ideally with two of his friends, with all three being of a different colour. They could join existing castrated males or be the start of an adventure for a new owner. As every member of our herd, Mr. Darcy is fully up to date with vaccinations and all husbandry. He has been in excellent health since birth.

Support is available via phone / email for the life of any alpaca sold by us.
