Description:

Red Granites Sizlin Vegas is from our finest reserved genetic lines.

Sizlin Vegas in her third show stood in a very respectable position of being the Fawn Female Color Champion, then later was awarded the Judges' Choice female placement at the 2017 Mopaca Invitational Alpaca Show. She is very strong in frame and overall has a very feminine look to her and has a gorgeous dense fine fleece as they come in color.

Sizlin Vegas is one of the few female offspring we have released from our super-stud female, Snowmass Conopa XXX Vail, and the only one to be sold that carries Snowmass MR Sizlin Rose as her sire. Sizlin Vegas placed a part in winning post of her dams and sires produce of dam/get of sire wins from 2017-2018. If you have not realized it yet, yes, Sizlin Vegas is a full sister to Red Granites Val D Lsere.

We are very pleased to say Red Granites Sizlin Vegas has been sold to our friends at EP Cambridge Alpacas in Australia with her two lovely offspring by side (Sired by Creed and CCFN Legionnaire). She will do wonderfully for you guys, thank you for this lovely purchase!
