Delilah is a beautiful true black female with a stunning temperament. Her two previous cria with us have been striking boys who have had beautiful fibre.

This time, we have mated Delilah to Prince Bishop Appaloosa Evergreen, and we are extremely excited for this outcome. We are very hopeful that this will result in a grey or Appaloosa cria.

Delilah has been a problem free birther, her cria have never required a plasma transfusion/additional colostrum at birth; or topping up. They are always the most well grown of the year and continue to have her stunning temperament.

Only for sale due to trying to reduce the herd slightly.

A 10% discount will be applied for purchases of 3 or more females.
