Description:

✨✨✨PRICE DROP✨✨✨

Freya is a beautiful rich chocolate young female. She carries a good fine fleece holding at 22.9 microns with exceptional staple length of 120mm and a lovely soft handle.

Her sire champion Limestone Aztec is a grey and her dam brown so Freya would be a great addition to any herd looking to breed colour.

Freya is very well grown with good substance of bone. As such she was mated in 2023 to our grey sire Brampton Valley Theodore and has just birthed her first cria a beautiful jet black boy.

Fully halter trained and easy to handle.
Full after sales support and advice and we can often deliver.

Discounts available on 3 or more.

Number of Crias bred from female: 1
