Description:

Samara is a lovely young female with a good quality fleece showing excellent uniformity across her blanket. Very fine with good density and soft handle. We are awaiting her fleece results.

She really stands out in the field and is halter trained and friendly.

Both Samara's parents are greys so she is an excellent choice for breeders looking to produce greys and colour.

She has been remated her this year with our new rose grey male Summerhaze Solace who's sire is the sought after Appaloosa Popham Mardi Gras in turn sired by Ambersun Camouflage.

This is a rare opportunity to acquire these genetics, she should produce an interesting cria for 2025.

Full after sales support and advice and we can often deliver.

Discounts available on 2 or more.
