*(taken on 11th May 2023 at 6 Years and 10 Months of age)*

**Fibre Testing Authority:** Art of Fibre

### Description:

Dorcas is a sturdy female who is correctly conformed and is a fantastic mother to her offspring. She will happily look after and feed cria that are not hers too! Her fleece stats leave a little more to be desired but her offspring are a definite improvement on herself.

Dorcas would make a fab addition to anyone just starting out in alpaca breeding who wants an easy going and experienced breeding female.

**Number of Crias bred from female:** 2

Snowhill Dorcas
