### **Description:**

Penelope is a strong, well conformed female who is holding some impressive fleece stats for an 11 year old. Her offspring are a futher improvement on her and the one daughter we have kept (Snowhill Pollyanna II) has not only won a Championship and multiple Reserve Chamnpionships herself, but has also produced several Multi Champion alpacas for us.

Penelope definitely has more breeding years in her and is sadly being wasted with us. She would make a great addition to any herd whether you are just starting out or are looking to improve your herd.

**Number of Crias bred from female:** 3
