Description:

Conformationally correct, well balanced female. Yoyo is calm and easy to handle and halter trained. With her sire EPC Courage and Grandsire NWA Ruffo and Canchones on her dam's sire's side, she has an excellent pedigree and a history of producing fine, long stapled and dense fibred offspring. Her first born cria Azriel (sired by Houghton Quizzical) who grew up at Spring Farm had fibre stats 18 micron, 3.8 SD and his 2023 fleece 19.1 micron with a 4.0 SD and again a 8.2 CEM. Her traits are noticeably passed on in most of her progeny.

She can be covered to any of our stud males of your choice - please see our stud males pages for full details.
