Description:

Winwick Barn Alpacas have some lovely quality open females, various colours and ages from 1 year upwards. Also some older females suitable as pets or herd guards. Lots of greys and some spotty's. All colours available. We have made the decision to reduce our herd size - approx 30 for sale. Females can be purchased as singles for people who already have alpacas or a minimum of a group of 3 for anyone starting out in alpacas. Nice quality females priced to sell and discounts available for 3 or more alpacas purchased. Price not a reflection on quality but a need to reduce herd size.

Up to date with husbandry, Vaccinated and ready to go to new homes.. All females are open due to our lack of time and too many alpacas.

See our website www.winwickbarnalpacas.co.uk and our Facebook page <https://www.facebook.com/winwickbarnalpacas>

Near Huntingdon, Cambs

Cambridgeshire is in a Low Risk Area (LRA) and has a low incidence of bovine TB and no recognised significant reservoir of the disease in wildlife.

We take biosecurity very seriously with double perimeter fencing. We haven't shown our alpacas since 2017. We have previously done voluntary TB testing and tested all clear. We are in 4 year testing area.

Also for sale two stunning proven stud males one Grey - Houghton Gypsy King and one Appaloosa Stud - Winwick Appaloosa Crusader. Please get in touch for details.
