## Description:

Belle is a solid, strong female standing on a robust frame and is very true to type.

She carries a nice fine fleece with good density and a great deal of lustre.

She is a proven female having birthed a lovely white girl in 2023 who will make our show team for 2024.

Her sire will need little introduction, Pucara sur-real Rapper, is a fantastic macho from the Macgyver/Durango lines.

Her Dam Moonsbrook Glamorous Girl is full sister to Moonsbrook Bountiful, 2010 National reserve champion female, and who has produced 2023 national reserve champion white female.

This is a great opportunity to take advantage of a fantastic mix of genetics to further advance any suri breeding programme.
