Description:

Bozdown Labyrinth is a lovely dark fawn huacaya weanling female, she is very cheeky and loves to see what everyone is up to.

She is growing into a strong stocky female with a soft dark fawn fleece which is displaying brightness and good density. She has white markings on her head but the rest of her is uniform in colour.

Labyrinth's dam Bozdown Secret is bay black and at 7 years she is still producing a fine fleece. Her sire Bozdown One of A Kind is mid fawn stud with excellent density and fineness for age, he has produced an array of colours and all of them are dense and fine.

Labyrinth's paternal grandmother Bozdown Simba is still producing an ultra fine fleece at 13 years of age and is part of our core breeding programme.
