Description:

TOFT Amaliya is a young solid white female out of TOFT Ambition and TOFT Toranaga son of LAVENDER PARK TULLEY

TOFT Amaliya stats illustrate quite clearly that she is maintaining a fine consistent and very uniform fleece. It is well organised right to the extremities with a very soft handle.

TOFT Amaliya - is pregnant for 2024 to our Medium Brown stud male TOFT Hattori son of Gilt Edge Samurai of Beck Brow. TOFT Hattori is a very compact solid male exhibiting a very dense well organised fine fleece which is consistent for colour and quality throughout. She is showing a great deal of uniformity across the blanket out to her extremities.

Number of Crias bred from female: 3
