## Description:

TOFT CARLOTTA is a young solid white female out of TOFT CARAS (SW) one of our Accoyo girls and CUZCO Freddy (SDF) our very dense dark fawn stud male whose offspring are now starting to make a real mark in the showing.

Every year we release some of our younger stock to those breeders who are looking for some of the very best breeding we have to offer. As such TOFT CARLOTTA represents six generations of selective breeding here at TOFT and her lineage is packed with top class alpaca genetics.

TOFT CARLOTTA produced a very fine Solid Dark Fawn male TOFT Calloway to the Big Bopper in 2024 and we are so impressed with this young boy we have related her to the Bopper for 2025

TOFT CARLOTTA - is pregnant for 2025 to our Champion Dark Fawn Stud Male HERTS The Big Bopper.
