Description:

British Alpaca Society National Show 2023 - Fawn Male Champion

Winsaula picked up the National Show Championship title as a Junior. Judged by Amanda Van den Bosch and Barbara Hetherington in a huge class of the very best of UK fawn breeding, his fleece was described as 'on another level'.

Trendsetter is out of a black breeding line and carries the 'ee aa' genotype so is guaranteed to throw colour into your breeding programme including black.

We are at the National Show in Telford this weekend where Trendsetter can be viewed.
