### **Description:**

TOFT GOTTI is an impressive very well grown young solid mid fawn male from our very dense solid dark fawn stud Male CUZCO Freddy and our dark fawn female TOFT Gabbi whose sire was LAVENDER PARK Tulley (SDF) through which his genetics also go a long way back through many generations in Australia.

TOFT GOTTI is a male with a real presence, great bone and proportions and is carrying a very uniform consistent fleece in both colour and quality.
