Description:

Topaz has a very dense white fleece and has produced many lovely cria i have 4 of her daughters. she is 15 now so coming to the end of her breeding career but has been mated to our exceptional male MileEnd finlo and this promises to be a lovely cria. She makes a nice addition to a starter package.

We were very happy that Lane House released Finlo to us as he is a fantastic male. They have successfully shown several of his offspring with his daughter winning champion white female recently. Finlo has great conformation his fleece is fine dense and uniform. His sire is renowned for longevity of quality and so this genetic line will advance any breeding program. He retained 17.4 micron and SD 3.6 in his 4th fleece.
