Description:

Diamond is 5 this year and had her 1st cria last year easily and has been an excellent mum. She has a lovely rich colour. She has a lot of colour in her background so has lots of potential of colour in her cria. Her first fleece was 19.6 microns. She has been Mated to our lovely stud MileEnd Finlo. We were very happy that Lane House released him to us as he is a fantastic male. They have successfully shown several of his offspring with his daughter winning champion white female recently.

Finlo has great conformation his fleece is fine dense and uniform. His sire is renowned for longevity of quality and so this genetic line will advance any breeding program. He retained 17.4 micron and SD 3.6 in his 4th fleece
