Description:

Willowbrook Masquerade is a gorgeous, solid dark brown, intact juvenile huacaya male. His sire is Beck Brow The Instigator, who won Champion Brown male at the National Show in 2022, and his dam is a Snowmass Sizlin Hot daughter who won two firsts and a Reserve Champion when she was shown.

A trade mark of all Beck Brow The Instigator's progeny, Masquerade has perfect conformation, and stands on a strong and correct frame. He has the distinctive teddy bear head type typical of his Grand sire Beck Brow on the Money, and passed down by his son the Instigator. Another typical feature is great density and coverage, as well as a long staple length.

Masquerade is undoubtedly a good looking male, with a super fleece, but he also has a lovely temperament! He would be equally suited to a home with someone who has an interest in crafts (spinning, knitting or felting) as his fleece would make a high quality yarn, or as a companion animal, due to his particularly gentle and intelligent character.

He has been birth notified, so is eligible, subject to the rules in force at the time, for full registration as a potential stud in

the future.

Alpacas are herd animals and should be kept in a group of preferably at least three or more for their own well-being. We would ideally like to sell Masquerade with a number of his field mates as they have an established bond. A discount package is available purchasing a group (please refer to the other listings from Willowbrook Alpacas).
