18.00μ

*(taken on 11th December 2023 at 1 Year and 7 Months of age)*

### Description:

Artem is immediately eye-catching. From his true-to-type head shape to his impressive bone structure and stature. This is no surprise given he has on offer the best of Bozedown genetics from his dam and as a grandson of Cambridge Fortitude, an EPC Peruvian Spartacus grandson. His fleece is bright with a high frequency crimp from skin to tip. Artem is a self-assured young male looking to make his mark.
