

Crowbourne Duffy Price: Price on Application Sire: Not Specified Dam: Not Specified Type: Pregnant Female (Pregnant) Breed Type: Huacaya Colour: White Registered With: BAS38329 Date of Birth: 3rd July 2020

Description:

Duffy is a beautiful gentle giant, she is the largest female that we have in our herd. Duffy is going to be a first time mum this year and we are sure she will be a great one! She is mild mannered, loves her food, and a calm alpaca who likes to look on to the herd. Duffy has been bred with our prize winning stud Quizzical, who is also a large white male, so she is expected to have a large baby! Duffy has been around adults her whole life so is used to being hand fed. We are looking to downsize our herd so please do get in touch with any questions.
