17.80µ SD 4.10µ % Over 30 Microns(µ) 0.40% Curvature 47.80 deg/mm

*(taken on 9th April 2024 at 1 Year and 10 Months of age)*

**Fibre Testing Authority:** European Wool Testing Authority

### **Description:**

Sonnet is a well-grown female showing good strength of bone and capacity. She is ready to be mated and is showing interest. Her conformation is correct in every way.

Sonnet is a daughter of Supreme Champion Beck Brow Glory Daze.

She has a fine fleece with above-average density. Her fleece is showing good organisation throughout, resulting in well crimped, small staples. Whilst her secondary fibres are very uniform, there is some variation between these and the primary fibres (although still fine) and this is reflected in the asking price.

Sonnet can be mated at Beck Brow before leaving at the additional cost of a stud service. We would suggest Pottery Prima (who is very uniform in micron at 5 years of age)

Sonnet offers a great opportunity to purchase a young female with very good potential at a very reasonable price.

Sonnet is advertised for sale on behalf of Woodburn alpacas. She was born at, and is agisted with, Beck Brow Alpacas.
