Beck Brow the Instigator is a real macho, stand-out in the paddock, solid dark brown, proven stud male, sired by the outstanding and prepotent male Beck Brow On The Money (sire Timbertop CT Goldmine ET). The Instigator himself has fantastic attributes, winning Champion Brown male at The B.A.S. National Show in 2022 as an Intermediate against some very tough competition! He is a compact male, with superb conformation, great balance, very good strength of bone, broad chest, square hind quarters and lovely true to type head.

The Instigator's dam, Beck Brow Seventh Heaven, is a proven Championship winning female, and her daughter, Beck Brow Cloud 9, was also a brown colour Champion.

The Instigator's fleece is fine, very dense, bright and well organised, with a lovely soft handle, and we hope, he will follow in his sire's and grandsire's footsteps in maintaining these positive fleece traits as he matures. He has been colour tested Ee aa, with a black base coat, so has lots of colour in his genes! We have had all colours from him, but predominantly fawn and brown, with one black, one white, as well as modern grey. His cria were born easily, and were all strong and healthy, with the same perfect conformation, and huge fleeces! We have quality progeny from The Instigator available to view.

The Instigator is halter trained, easy to handle and has been kept with a group of other young males.

He has not shown any issue with external parasites and maintains good body coverage.

The Instigator is only for sale due to us retiring from breeding alpaca.
