Willowbrook Pippin is a quality, rich dark brown young female alpaca, with dark points, sired by Beck Brow The Instigator (sire Beck Brow On The Money). Her dam is a lovely solid dark brown female, whose grandsire is Valley Alpacas The Diplomat (Supreme Champion), and sire is WB Inferno (a Champion and Reserve Champion fawn stud out of a Champion Brown female).

Her genetics feature proven and champion lines on both sides of her pedigree, built upon over 6 generations, with a good depth of colour, also including many highly regarded blacks on both sides (EPC, Inca, Canchones).

As the photo demonstrates, she has a super fleece. It is long, with a well defined high frequency crimp style, great density, fineness, uniformity, coverage, very few visible primary fibres, and it is bright.

As with all Instigator offspring, Pippin also has a great strength of bone and good conformation. She has a gentle nature

and is halter trained.
