Willowbrook Mystic Charm is a lovely young female alpaca sired by Beck Brow The Instigator (sire Beck Brow On The Money). Her dam is an attractive bay black female with very fluffy ears (sired by Lilyfield Jack of Spades), and her grand dam WB Mimi is a three times Champion black female.

As with all of our alpaca, her genetics feature proven and Champion lines on both sides of her pedigree.

Mystic Charm has a beautiful, unusual coloured fleece. As the photo shows, it has a modern rose grey appearance upon opening, which changes under different light conditions. Although her sire has been colour tested as non-grey, she does have grey on her dam's line. It will be very exciting to see what colour is revealed once she has been shorn!

Her fleece is exceptionally long, with good coverage, a high frequency, well defined staple with good density, great brightness and a lovely soft handle.

A very pretty, halter trained female, with super conformation and strength of bone
