### Description:

Ivy is a statuesque female who is halter trained and easy to handle.

Her father is Champion Essex Stirling ( Grey ) and she gave us a stunning Balck female by Redens Agamemnon last year .

Ivy is ready for mating and can be sold empty or can be mated to one of our stud males at a reduced stud fee. Her fleece is fine and soft handling and has a good length of staple.

We are not concentrating on darker colours at the moment and we are therefore offering Ivy for sale.

We would love her to go to her new home with her female cria from last year if possible and she is advertised separately

**Number of Crias bred from female: 1**
