Description:

Jasmine is a beautiful young proven pregnant female, with a lovely head type and short muzzle. She is very gentle and has an easy going temperament. She has champion winning genetics on both sides of her pedigree. On her sire's side she has a Fawn Champion son of Supreme Champion Valley Alpacas The Diplomat, and a brown multi Champion female from a line proven in its prepotency for passing on desirable conformation and fleece characteristics.

On her dam's side she has multi-Champion black female (WB Mimi), and a bay black dam (daughter of Lilyfield Jack of Spades) who is still an impressive looking female in both stature and fleece at 12 years of age.

Although solid white, Jasmine has lots of colour potential in her genetics. She had a stunning looking fawn male in 2023. His fleece is long, fine, well covered and dense, with a high frequency crimp style.

Jasmine has been an excellent mother, growing her cria well. Excitingly, she is currently pregnant to National Brown Champion male 2022, Beck Brow The Instigator, so we are hoping for another cria of the same fantastic quality this year. The serving male, BB The Instigator has tested Ee aa with a black base coat, so lots of potential to produce colour with this cria!

Very reluctantly for sale as we are retiring from breeding alpaca.

Name of covering male: BECK BROW THE INSTIGATOR (ON THE MONEY SON)

Last Mating Date: 16th September 2023

Estimated Date Cria Due (Pregnant Female): 16th August 2024
