

WOODY ALLEN

Price: £2,000.00

Sire: PUCARA KAHUNA'S TULLY OF CSA

Dam: CSA WHISPER

Type: Stud Male

Breed Type: Suri

Colour: White

Registered With: BAS REGISTERED: BNBAS15538

Date of Birth: 2nd August 2021

Description:

Woody Allen is a well conformed, strong boned suri, with excellent density and fineness for age. With his great genetics: Pucara Kahuna Tully as his sire and CS Alpacas Whisper as his dam, he should produce great progeny. Unfortunately he is too closely related to my herd to be used here, but would be a great asset to anyone else.
